EDUCATION

Higher Secondary

State board (Kerala)
S.M.H.S.S. Patharam
2017-2019

Bachelor of Aeronautical

APJ Abdul Kalam
Technological university
Jawaharlal College Of
Engineering and Technology
2019-2023

SKILLS

- Creativity
- Communication
- Teamwork
- Hard Worker
- Work Ethics
- Critical thinking
- Good Listener

ABOUT ME

As an independent and self-motivated aeronautical engineer, I bring a proven and tested skill set in design, analysis, and problem-solving to contribute to the development and maintenance of advanced aircraft systems.

INTERNSHIPS

- Introduction of Drones, Insight on Drone Assembling and Flight simulation and Training
- Biped robotics
- Workshop on Electric vehicle
- Workshop on Electric and Future Mobility

AREA OF INTEREST

- Aeronautical/Aerospace
- Designing and Analysis
- Aircraft Maintenance
- Technical Officer

TECHNICAL SKILLS

- PROGRAMMING SKILLS
- CATIA
- ANSYS
- MS OFFICE
- LINUX
- NETWORKING

LANGUAGE

Malayalam 
Hindi 
English 

PROJECTS

- Design and Analysis of Spike nozzle with different divergent Angles

DECLARATION

- I hereby declare that the information provided above is true to the best of my knowledge.
